Online Activities 2/4 – 2/10

For review and reflection of what we did in class:

Post a reflection on your blog in our Ning:

Do you see blogging with Google blogger, or any other stand-alone blog tool, as being different than an internal system like we use in Ning. What are the advantages and disadvantages? Which do you prefer if you were to do any blogging with your students? Name your post **Blogging**.

Watch the videos on Wikis and Google Docs. These are on our class wiki: <http://aobweb20.wikispaces.com> under their respective category on the left navigation.
